Application process

Step 1

To be done by the home university 🏠

The International Relations Coordinator at the home university must nominate students interested in participating in an exchange programme at Icesi by completing the [international nomination formulary](#).

Step 2

To be done by the student 🎓

The student will receive an email to fill out a [registration form](#) and you will be informed which documents you must send in English or Spanish, including:

- Official transcript of courses taken and grade point average
- Copy of passport
- Photo (3x4 cm)
- Curriculum vitae
- Proof of Level B1 Spanish proficiency, issued by the university of origin or another authorised institution.
- Personal motivation essay (max. 2 pages)

❗ For postgraduate mobility, in addition to the documents mentioned above, students must submit an academic reference letter.

Step 3

To be done by the student 🎓

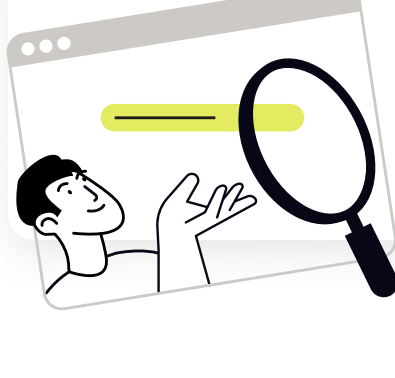

Once the student receives the admission letter from Icesi University, [they must submit the following documents](#):

- Visa
- International medical insurance
- Airline tickets

❗ Students who request an extension must present authorization from the university of origin, visa renewal, foreigner's ID card, and international health insurance.

Migration requirements 🌐

For programmes lasting less than 180 days, certain nationalities are exempt from visa requirements. For more information on the process and immigration requirements, visit the website of the [Colombian Ministry of Foreign Affairs](#).

Accommodation and housing 🏠

Icesi University **does not have on-campus residences**, but it offers accommodation options through the ["Vive como en casa" website](#) and recommends [Inside-Boho](#). The International Relations Office assists students with this process. **Any change of residence must be reported..**

University Well-Being
