Student application: 25 April	Student application: 15 October

Courses taught in English

Find Bachelor and Master level courses [here](#)

Full-time Study Load
30 ECTS per semester

Final Project Work / Thesis: It is sometimes possible for students coming from a partner university to do their Final Project Work/Thesis. This is not guaranteed, and students are responsible for finding their own supervisor at School of Engineering. If students are interested in this, they need to be nominated well in advance.

JU Summer School: *In collaboration with the School of Engineering*

Information about the course, pre-requisites and fees can be found [here](#)

[Information
about
requirements](#)

General Requirements

Undergraduate: One year of completed university studies within the relevant field of study.

Graduate: The equivalency of a bachelor's degree of at least 3 years (180 ECTS)

***Note:** All students must fulfil the prerequisites of each chosen course. When signing the JU Course Confirmation the home institution certifies that the student fulfils the prerequisites for each chosen course and language skills.*

Language Requirements

Although language test scores are not formally required, all students are expected to meet the School of Engineering's minimum English requirements. The home institution is responsible for insuring the fluency in English of the students. Students without the adequate level of English run the risk of failing the courses.

[Information
about study
levels](#)

Study Levels

Transcript of Records

Incoming students: Students should download a transcript including a verification link to be sent to the home university. If an officially signed transcript is required, this can be requested at incoming.student@ju.se

Outgoing students: Transcripts can be sent to transcripts@ju.se

[Grading System](#)

Grading System

JTH uses a national grading system. The grading table (EGT) can be included in the transcript of records for international students, if needed.

Pass or Fail OR Fail or 3 (pass), 4 (good), 5 (very good)

[Extra Support](#)

Extra Support for Students with Disabilities

JU facilitates special educational support for students with disabilities to help them to reach their full potential.

Note: *It is important that students inform JU about this matter during their application.*

[Visa and Passport](#)

Visa Requirements

All students should have a valid passport for the period of their study in Jönköping. The visa and/or residence permit requirement depends on the nationality of the student.

[Insurance Terms](#)

Health Insurance

Exchange students admitted at JU receive a supplementary health insurance, which covers the students' medical treatment costs in Sweden. Since the insurance is for emergencies only, students are recommended to purchase a separate insurance of their own.

Note: *Regarding medical care and dental care cover, this insurance does not apply for: Citizens of a Nordic country, EU/EEA country, Switzerland, or other country with which a convention regarding medical benefits exists. In these instances, the insured person must have an EU card or similar from their home country. Students will be expected to pay the same health care fees as Swedish residents.*

[Housing options](#)

Accommodation

JU guarantees accommodation for international students. Students need to pay a non-refundable application fee of 850 SEK to complete the accommodation application.

[Student Union](#)

Student Life

JU has an active Student Union that actively work to increase the quality of education as well as arranging different extracurricular activities for students such as the buddy programme, host family, trips, cultural events, sports, among others.

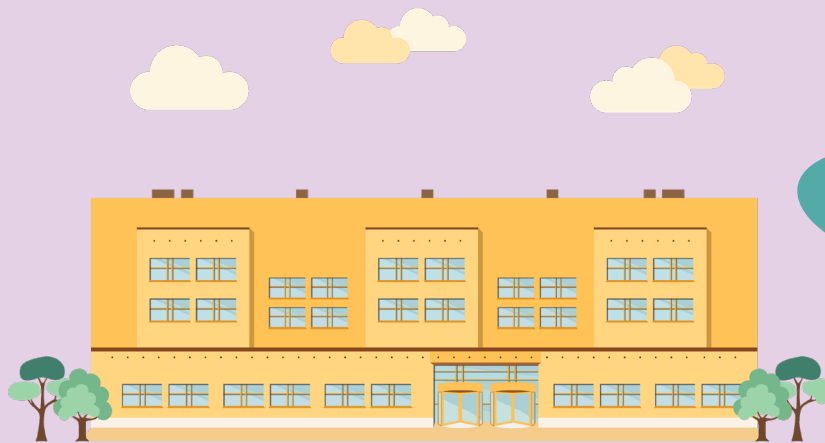

[Living expenses in Sweden](#)

Cost of Living

Approximately 8500 SEK.

Note: *All students (including incoming exchange students) need to pay the Student Union fee (approximately 330 SEK per semester)*
